

## Prayer for AM 1260 The Rock

St. Peter, you are the Shepherd of the sheep, the Prince of the Apostles, the Rock. Intercede for WCCR, AM 1260 The Rock, that we may faithfully proclaim the Word, Jesus Christ, and serve His Church that He appointed you to protect. We place AM 1260 The Rock under your patronage, that we may do all for His honor and glory. Amen.

## AM 1260 The Rock has changed my life.

*Before Mass at St. Anthony of Padua Church in Parma in October 2017, I saw a table set up in the lobby of the church with information about AM 1260 The Rock, a local Catholic radio station in town. I never even knew there was a Catholic radio station. I introduced myself to Bernadette Boguski and she provided a great deal of information and answered questions that I had.*

*I filled out a Volunteer Application and began listening to AM 1260 The Rock and found many programs that I now listen to on a regular basis. There are programs for everyone: news, talk shows, question and answer programs and much more. I have volunteered to answer phones during the pledge drive, record radio spots and make presentations at local churches.*

*It has changed my life. From gaining more knowledge about the meaning of the Scriptures to making me more aware of what it means to be a Catholic, the AM 1260 programming makes me want to live a better life and be a good example to others. You owe it to yourself to get acquainted with AM 1260 The Rock. It may change your life, too.*

## AM 1260 The Rock Launches 'La Roca', Spanish Language Catholic Radio for Cleveland

In early January, St. Peter The Rock Media, the non-profit lay apostolate operating Cleveland Catholic Radio AM 1260 The Rock (WCCR-Cleveland), launched Spanish language Catholic programming through our website and mobile apps.

La Roca, Radio Católica de Cleveland, is now providing faithful Catholic programming produced and provided by the Eternal Word Television Global Catholic Radio Network, of which AM 1260 The Rock is an affiliate.

"I am delighted that the Spanish speaking community of our diocese will have access to outstanding Catholic radio programming in the Spanish language provided by our local Catholic radio lay-apostolate, St. Peter - The Rock Media. I know this new service will help to strengthen the faith of the people and bring many in Northeast Ohio closer to Christ. I am grateful to the leaders and supporters of St. Peter The Rock Media for their dedication in meeting this particular need of our diocese," said Most. Rev. Nelson J. Perez, Bishop of Cleveland.

## Notes from the Director

I love our listeners!

There isn't a week that goes by that I am not in contact with a listener of AM 1260 The Rock, in person, by phone, or via e-mail. There's the e-mail from a listener who was walking a dog at 4:20 AM and heard a fascinating program that they wanted to hear again. Or there is the listener who needed an episode number for yesterday's Fr. Riccardo program. We are grateful to know that our listeners are being inspired, challenged, and fed with the Truth of our Catholic faith. Just yesterday I had a call from a listener who heard something on "The Good Fight" last Saturday and needed to know how/where to access the audio for that program.

Catholic radio is making an impact, and AM 1260 The Rock is humbled and grateful for the opportunity to participate in evangelizing and catechizing the people in our listening area and beyond with "rock solid truth." The Catholic Radio Association reports that, from 1997 to 2018, Catholic radio in the United States has grown from just seven stations to more than 500. "Catholic radio stations consistently receive conversion stories and testimonies on the power of Catholic radio to teach the faith and draw listeners closer to Christ and His Church. From positively impacting diocesan and parish life, to inviting non-Catholics to the Faith, Catholic radio continues to renew the Church and the world." As Joe said in his story on page 1, "AM 1260 The Rock has changed my life."

We have accomplished so much in our first three and a half years, including the addition of our first locally-produced program "Table Talk" with Bishop Nelson Perez, the addition of "La Roca," Spanish language programming on our mobile apps and our website, live remote broadcasts, digital and mobile billboards, and our inaugural Day of Prayer and Fasting for Priests. There is so much more we want to do as we continue to attract more listeners and donors.

Priority number one is to provide a consistently clear broadcast to everyone in our listening area. We are so grateful for your patience as we addressed some technical issues in January that were affecting our broadcast. There is nothing worse than getting a text at 8:30 PM on a Saturday letting us know that we are silent, distorted, or unlistenable (is that even a word?).

We knew when we bought the station that some of our equipment was past its prime. We know we will have to make plans to replace it in the coming years. We also know that we are blessed with so many generous hearts who love this station as we do and understand the importance of providing sound Catholic teaching over the airwaves. Now more than ever, Catholic radio is a voice of light in a dark world, that can have a lasting impact on every soul it reaches.

If you are interested in learning more about opportunities to help with a major gift to our capital needs, please call me at 216-227-1260 or e-mail at [bboguski@am1260therock.com](mailto:bboguski@am1260therock.com). I will be happy to meet with you to talk about our wish list and some of the items we will need to purchase. In the meantime, please know of our prayers for all of you, and please keep us in yours, as we continue to work together to bring the Good News to a world so desperate for the love and mercy of Jesus.

St. Peter The Rock, pray for us!

## THE BLACK FAST

With a later Lent this year, we have had adequate time to prepare for the penitential practices of prayer, fasting and almsgiving. Some would look at our observance of Lent in modern times as hardly penitential at all, as there were those who adhered to the "Black Fast," the most rigorous fasting required in the history of the Church. Only one meal per day was permitted throughout all of Lent and no dairy or flesh meat were allowed. No alcohol was permitted and during Holy Week, the diet consisted only of bread, salt, herbs and water. The Black Fast certainly caused faithful Catholics to anticipate the joyful celebration of Easter!

While attempting the Black Fast in today's society could prove to be extremely difficult, it doesn't mean that we should excise all penitential practices from the Holy Season of Lent. There is value to the old spiritual discipline of "giving up" something for Lent. Often these days, faithful Catholics are encouraged not to "give up" but to "take on" something else for Lent such as Daily Mass or additional prayers. The discipline of the will required in giving up something helps to strengthen our ability to say no to those things that give us pleasure. It forces us to rely more upon what God provides than what contemporary society can give us.

They also didn't have Catholic Radio in the days of the Black Fast. We are blessed to have this radio station, AM 1260 The Rock, Cleveland's Catholic Radio, that provides continuous Catholic programming, 24-hours a day, 7-days a week. It can help to strengthen our will as well as instruct us in the teachings of Holy Mother Church. Maybe we can observe our own Black Fast but adapt to today's toxic media culture by abstaining from all other media except that which provides spiritual sustenance to our soul. Make it a Holy Lent.

Yours in Christ,

Father Doug Brown  
*Chaplain, AM 1260 The Rock*

## Tribute Gifts

St. Peter The Rock Media/AM 1260 The Rock is so grateful for gifts made in memory of a deceased loved one or in honor of a special person or for a special occasion (i.e. birthday, anniversary). Tribute gifts to AM 1260 The Rock are a wonderful way to celebrate the important moments in our lives.

We are happy to send an acknowledgement to the honoree, or to the family of the deceased, letting them know of your thoughtful gift (no mention is ever made of the gift amount).

St. Peter The Rock Media would like to express our deepest sympathy and heartfelt appreciation to those families who requested that gifts be made to St. Peter The Rock Media in memory of a deceased loved one. Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May they rest in peace.

## #weGIVECATHOLIC raises over \$7,000 for AM 1260 The Rock

After Black Friday and Cyber Monday comes...Giving Tuesday! AM 1260 The Rock would like to thank all those who participated in Giving Tuesday, either through a direct gift via our website or through #weGIVECATHOLIC, the Catholic Diocese of Cleveland Giving Tuesday online giving portal. A little over \$7,000 was raised for AM 1260 The Rock, and the #weGIVECATHOLIC campaign raised over \$1.2 million in donations to various Catholic churches, schools and agencies. May God bless you for your generosity!

# St. Peter The Rock Media welcomes new board members

The Board of Directors of St. Peter The Rock Media is proud to welcome two additional board members to join the leadership of this lay apostolate. Thank you for your commitment to help lead Catholic radio in Cleveland. We also would like to extend our thanks to Leo Burkardt, Keith Robilotta, and Tom Wenzel, who have each agreed to serve a second term on the board.

Here is a little more information about our new board members:

**Tim Jakubisin** is a graduate of Bishop Moore High School in Orlando, Florida and of John Carroll University, from which he earned a degree in accounting. Tim practiced as a CPA for thirteen years and has been CFO of a local medical equipment manufacturer for over twenty years. Tim and his wife, Mary Ellen, have six children and a handful of grandchildren, and are active in marriage ministry and in their parish, St. Angela Merici, in Fairview Park.

**Michael Santelli** is a father of eight children and a parishioner at Church of the Gesu in University Heights. He works as a portfolio manager at Ancora, a Cleveland-based registered investment advisor. He is a graduate of the University of Chicago Booth School of Business and the George Washington University.

*"When I was first approached to make an initial contribution for the founding of The Rock, deeply embedded longings of my heart leapt at the potential for the word of God, and of those in love with him, to be broadcast to our fair city. So, I gladly participated and have continued to participate in promoting the station. I particularly enjoy the drive time broadcasting and the great insights offered in the station's programs."*

## Day of Prayer and Fasting for Priests

AM 1260 The Rock would like to thank everyone who participated in our inaugural Day of Prayer and Fasting for Priests. Our priests need our prayerful support and sacrifices, and your efforts were certainly appreciated. On your behalf, AM 1260 The Rock sends a note to every priest in the diocese letting them know of your prayers and sacrifices. Here are just a few of the notes we received:

***"Dear friends, Thank you very much for your prayerful support for Priesthood Sunday. I appreciate it."***

***"What is really great about your station is the information and inspiration that are presented. Thank you for your prayer support! It means a lot to me personally in these turbulent days of anxiety and stress. God bless you all!"***

***"Thank you so much for your self-sacrifice, fasting and prayer. I am so touched, moved and inspired. God reward you for your goodness. Thank you for loving us with the love of God!"***

We also would like to extend our thanks to the following parishes/shrines who opened their doors to our listeners for the day:

- Conversion of St. Paul Shrine
- Our Lady of Lourdes National Shrine
- Our Lady of Mount Carmel Parish, Wickliffe
- Sacred Heart of Jesus Church, South Euclid
- St. Columbkille
- St. Raphael

**If your parish would like to be a prayer site for our 2019 Day of Prayer and Fasting for Priests, please call us at 216-227-1260 so that we can include you in our plans for Friday, October 25th.**
