

Tom Wenzel 1962-2021 Until We Meet Again

Tom Wenzel, a founding board member of St. Peter The Rock Media/AM 1260 The Rock, and EWTN Marketing Director, was called home on Friday, October 29th.

Tom was an integral part of the AM 1260 The Rock family, and had the privilege of knowing Mother Mary Angelica during his time at the network. At St. Peter The Rock board meetings, one of the questions he would ask as we considered different decisions was "What would Mother do?"

Tom was a great ambassador for AM 1260 The Rock. He was willing to undertake any job, including speaking at parish presentations,

Answered Prayers from St. Monica Novena

Miracle of the Novena to St. Monica from August 19-27, 2021 resulting in our adult son and his family of four going back to church (submitted by a listener).

We have been praying for our son and his family to get back to practicing their Catholic faith for many years. We were invited to pray the Novena from 1260 The Rock to St. Monica beginning August 19. We prayed the Novena and got a call on August 28, the feast day of St. Augustine, from our son that he and his family would be going to Mass on Sunday, August 29, 2021. Of course, we were thrilled. Our grandson's college wrestling coach, who is a devout Catholic, told our grandson that he needed to start attending Mass since he knew our grandson was Catholic. Our grandson went home to tell his parents and the family of four decided to attend Mass

on August 29th at 11:15 am Mass. In attendance were the college wrestling coach and his family along with the assistant wrestling coach and his family and our other younger grandson's high school wrestling coach and his family, who is a practicing Catholic. They enjoyed the Mass and fellowship and planned on attending Mass regularly.

Notes from the Director

"I plead with you—never, ever give up on hope, never doubt, never tire, and never become discouraged. Be not afraid."

– St. Pope John Paul II

Happy New Year!

We need to continually look for the things that give us hope, that encourage and inspire us, that are fueled by our faith in Jesus Christ, who remains King of the Universe.

Despite its challenges, and there were many, 2021 had its share of things to keep us inspired, encouraged and full of hope as we move forward in the work of this apostolate.

Here are some of the highlights of AM 1260 The Rock in 2021:

- We instituted a "Mass of the Month" to allow listeners and donors to have the opportunity to pray for and with one another at Masses throughout our listening area. This is continuing in 2022 (see information within this newsletter).
- Our Spring Spirit Drive which was under the protection of St. Joseph, and our Fall Spirit Drive which focused on Eucharistic Adoration and Reverence, both produced spiritual and financial fruits for the apostolate.
- Vicky, Katy, Tom and Caleb shared what AM 1260 The Rock has meant in their lives in professionally-produced video testimonials now on our website. Special thanks to Dan Bowman, videographer.
- We resumed parish visits and other community relations activities.
- We hosted four tapings of "Living Right with Dr. Ray" with robust audiences.
- Our St. Monica Novena, in which we prayed for family and friends who are away from the Church, was well received.
- We engaged in some targeted mobile advertising; our results were beyond what we expected.
- We began our weekly on-air prayers for our listeners each Thursday at 3 PM. We continue to pray daily for all our listeners and your intentions.
- Work continues on improving our broadcast infrastructure to provide the best and clearest broadcast signal possible, while being good stewards of your gifts.

All of this, and all that we do in the coming year, happens because you are a part of this apostolate. You make this work possible, you allow us to be the tools in God's hands as He reaches souls who are hungry, searching, and in need of His love and mercy.

Together, we can continue to inspire conversion of heart and a deepening of faith while building up the local Body of Christ.

TIME

Someone much wiser than me remarked about the rapid acceleration of time, especially as we get older. They put it this way: when someone is two years old and considers their life, one year seems like a long time because it is half of his life to that point. But when someone is 20 years old and looks at his life, one year doesn't seem as long because it is then only one-twentieth of his life. When one is 40 years old, one year is one-fortieth of his life! As we age, time doesn't necessarily accelerate, but in proportion to our life, it seems shorter.

As we prepare for this Holy Season of Lent, we must consider this element of time and while it may seem to pass quickly, it is allotted to us like everyone else. We may be busier with family and work obligations, but time remains the same. However, as we grow older, we usually have more control over how we spend our time and can make decisions about how we spend our time.

On the threshold of Lent, we are called to make a choice about how we will spend our time in prayer, fasting and almsgiving. What can we do to make the most of these forty days? How can we best prepare for Holy Week, the Passion, Death and Resurrection of Our Lord Jesus Christ? We do not know what our future may hold. This could even be our last Lent.

As the Chaplain for AM 1260 The Rock, Cleveland's Catholic Radio, I want to encourage you to spend your time wisely during Lent in listening to the programming of EWTN and our local shows like God Calling, Where We Worship, and Table Talk. We have added special devotions such as The Stations of the Cross and the Litany of the Holy Face. Tune in to Holy Week programs offered by EWTN and support your local parish if you are able to attend. Time hasn't accelerated. Just our perceptions. How will we spend it?

Yours in Christ,
Father Doug Brown

staffing our information table, answering phones during our pledge drives, and yes, even grilling burgers at our volunteer picnics. Tom made himself accessible to our board and staff whenever he was needed, and loved talking about EWTN and AM 1260 The Rock whenever he had the opportunity.

Tom was a devoted husband, father and grandfather, and a proud graduate of Bowling Green State University. He was an active member at Sacred Heart of Jesus Parish in South Euclid. We continue to pray for his wife Carole, children Matt and Clare, and grandson Jack, whom he adored.

Tom, we will honor your legacy by continuing our efforts to let all of Cleveland know about AM 1260 The Rock and the difference this station, with quality programming from EWTN, can make in someone's life. Know that we pray for your eternal peace, and please intercede for us and the work of this apostolate. Oh, and say hello to Mother for us.

"Tom was one of the founders and original Board members of AM1260 The Rock. He was passionate about the apostolate of The Rock. He did not just support The Rock simply out of obligation as an EWTN employee, but his heart was totally into it.

Tom was a kind and gentle man, but he knew when to make his thoughts known in helping the Board make good decisions that would further the evangelizing mission of The Rock.

Tom was a loved and respected member of the Board and of The Rock family and he will be greatly missed. We know that he will continue to guide us in our work through his intercession with the Lord in his new and glorious life."

Pilgrimage to EWTN

We are exploring the possibility of a pilgrimage to EWTN in Alabama later this year. Further details will be announced on air, shared on our website and included in upcoming monthly emails. If you are interested, call our office with your contact information so we can share details as they become available.

Contribution Statements for 2021

- If you are a monthly sustaining member, you should have received a 2021 contribution statement for your donations in 2021. These were issued in January and were sent via email when possible, or by regular mail.
- If you are not a monthly sustaining member, you should have received an acknowledgement of your 2021 gift(s) as they were made. However, we are happy to provide a 2021 Contribution Statement to any donor who requests it. Please call Trish Shaw, Accounting Coordinator at 216-227-1260 during normal business hours or email her at tshaw@am1260therock.com and use "2021 contribution statement" in the subject line.

ATTENTION DONORS!

- PLEASE PUT A RETURN ADDRESS (written or preprinted label) on all mailed contributions. Recently, the post office has had issues with delivering mail and two donors had their checks returned. Putting your address in the upper left corner of your envelope will help to protect your check from getting lost. Thanks for your cooperation.

Relics at the Rock

AM1260 The Rock: Blessed Again! Did you know that friends of The Rock have donated relics to our apostolate?

Just what are relics and what meaning do they have for disciples of Jesus Christ?

The word relic comes from the Latin *relinquo*, literally meaning I leave, or I abandon. A relic is a piece of the body of a saint, an item owned or used by the saint, or an object which has been touched to the tomb of a saint.

It is strongly believed that relics can heal the sick, offer protection from harm, death, and ailments, as these objects have been given the divine blessings of God.

There are several verses in the Old & New Testament that show the effects that these relics can have, and their significance for God-fearing Christians. Some examples are (2 Kings 2:14); (Matthew 9:20-22); (Acts 5:12-15); (Acts 19:11-12); (Ex. 13:19) .

The relics of the saints and their veneration are just another in the long line of treasures of the Church. These relics help us appreciate the heroic men and women, boys and girls who have served the Master so selflessly and generously. It especially shows the love and mercy of the Almighty who called these His followers and brought them to His eternal kingdom.

Come by during normal business hours (Monday – Friday 9AM to 4PM) to venerate and learn more about our relics of the following saints: Ss. Anselm and Athanasius, St. Elizabeth of the Trinity, St. John Neumann, St. John Vianney (The Cure of Ars), St. Philomena, and St. Therese of the Child Jesus (The Little Flower).

Please support/patronize our Advertisers and Business Members and let them know you are grateful for their presence on AM 1260 The Rock!

Volunteer Spotlight:

Pat Murray Turns Years of Broadcast Experience into Producing Fruit for the Lord

As the saying goes “It all began at a small 10,000 watt radio station....” which for me turned out to be true! While attending Ashland University, I started my career at WNCO AM/FM as a weekend board operator and sometimes local sports announcer. All this as I was learning about the industry, I wanted to become a part of working at WRDL FM and ACTV2 at the college.

Prior to my senior year, I was able to work in the studio at WUAB-TV. There I was a camera operator, lighting technician as well as an audio mixer. Imagine that – during that summer, we recorded episodes of *Mr. Jingeling* with his winterscape covering the big studio. At lunch I would walk out to 85 degree weather. I learned very early the craft of storytelling through voice and pictures.

I continued my role at WUAB until promoted to a director where I had the chance to work with great local talent on shows like *Barnaby*, *43 AM*, *Lorain Conversation*, and *Superhost*. After a couple of years, I was promoted to directing all sorts of commercials for not

only the Cleveland area but national and regional spots as well. This all led me to begin the biggest change in my career....

When WUAB acquired the rights to Cleveland Indians telecasts in 1980, I began the longest part of my career which was sports directing. Until my retirement in 2015, I primarily produced and directed mostly Cleveland baseball, Cavaliers basketball, and a smattering of hockey, college, and high school sports. During that time, I was fortunate enough to be awarded sixteen local Emmys for television excellence.

As a Catholic while all of this was occurring, I often thought of the impact the media could have on members of the Church if there was more of it. Thank God! There are now more places to find elements of our faith and how we can grow, but none better than Catholic radio – specifically AM 1260 The Rock!

From my experience, there is no doubt regarding the influence that broadcasting has today. And of all my work, I am pleased and honored to be a part of the production team that broadcasts

the word of the Gospel to Northeast Ohio. Catholic radio today has never been better. From prayerful programs to shows that make you stop and really think about your faith, this station has it all – and more!

Our mission is found in Mark 16:15 “Go forth into the whole world and preach the Gospel to every creature...” Knowing this, it is our sacred duty to encourage our friends and relatives to consider deepening their faith and spreading the Word. By letting them know about AM 1260 you become part of that discipleship that carries the message of Jesus Christ!

Answered Prayers from St. Monica Novina Continued from Page 1

At some point after one of the Sunday Masses, the parish priest asked if our college-age grandson had been confirmed and the answer was no. He has agreed to be confirmed and most likely will be joined by his younger brother. Meanwhile, a new business associate invited our son to join the Knights of Columbus. Our son was “exemplified” in the Knights of Columbus in November 2021. Meanwhile, the college wrestling coach’s son has become our high school-age grandson’s best friend. Both grandsons are attending bible study and/or youth group sessions. The high school-aged grandson goes to a Catholic lunch program on Fridays during his lunch break. The public school they attend allows the students to leave for an hour for whatever lunch plans they may have.

Our son’s family migrated out of state in June 2021 to be with our grandson at college, who has a full-ride wrestling scholarship. Our son got a great job offer to open a market for a roofing company.

Update: 12-16-2021:

We visited our son and family around October 1, 2021, and part of our visit included attending Sunday Mass. It was amazing to sit between our son and his wife and his two sons at Sunday Mass, something that never happened before. After church, on the way out, our son insisted excitedly to introduce us to his pastor who seemed very familiar with the family after only a month or so of attending mass. I left the church and realized later that I had left my daily “Word Among Us” prayer book for daily Mass readings in the pew. We went back to the church the following Monday and it was not in the lost and found. The personnel in the office said that the “Word Among Us” is free and to go to the bookshelf in the lobby to pick up a replacement and that allowed me to explain to my son what those were and how he could avail himself of these each month. I got my book back and was able to use my lost booklet as a teaching moment.

When they left us for an out-of-state location a 16 hours drive away, we had thought we would never be able to see them get back to the faith. St. Monica had a different idea and boy was she right! We continue to pray for another sibling in the same situation and we know that at some point, she will return to the faith.

Vehicle Donations

In 2021, 11 listeners used our vehicle donation program and together provided over \$7,000 in support for Catholic programming. Since its inception, our vehicle donation has provided nearly \$21,000 in needed revenue for this apostolate.

If you have a car, truck, motorcycle, van, or boat that is taking up space in your garage or driveway, consider donating it to AM 1260 The Rock. It doesn’t matter if it is operational or not, they will tow it away and we will reap the benefits, and you’ll know you are keeping Catholic radio on the Cleveland airwaves. If you have any questions prior to initiating the donation process please call us at 216-227-1260.
