

One Hundred Parishes in under One Hundred Months!

AM 1260The Rock has reached yet another milestone. Since going on the air May 11, 2015, AM 1260The Rock has visited 100 of the 185 parishes in the Diocese of Cleveland. Our parish awareness weekends have been one of the best ways of sharing the 'Good News' of Catholic radio with the lay faithful.

When AM 1260The Rock visits a parish, we typically give a 2-3 minute presentation at the end of the weekend liturgies about Catholic radio and how it can be yet another resource for the faithful to learn more about their Catholic faith. We also set up a table in the gathering area where we can greet people, distribute program guides and bumper magnets, and answer questions about your local Catholic radio station.

Over the past eight years, these visits have resulted in new listeners, volunteers, and donors. It never fails; someone will come up to the table and say, "I didn't know we had a Catholic radio station."

It has been a blessing for our staff, board and volunteers to meet our listeners and

Prayer for AM 1260 The Rock

St. Peter, you are the Shepherd of the sheep, the Prince of the Apostles, the Rock. Intercede for WCCR, AM 1260The Rock, that we may faithfully proclaim the Word, Jesus Christ, and serve His Church that He appointed you to protect. We place AM 1260The Rock under your patronage, that we may do all for His honor and glory. Amen.

Why I'm Pro Life

by Trish Shaw

I have always been pro-life. Growing up in a large family of seven kids, even in high school, I debated with a classmate on the topic of abortion. My argument was simple: "It is a baby." This reasoning was not convincing, but I did not have the resources and knowledge. When I was a young adult, a friend had an abortion. I discussed this with my mother, and she gave me the insight that abortion is never the correct response. I recall when partial birth abortion was being publicly debated. There was a vivid image of the procedure in our church bulletin. "How could they kill a child like this?" I couldn't ignore the issue anymore. I became more vocal about protecting life. At my current

parish, I was asked to join the pro-life group. This led to my roles in leadership in the current Culture of Life Committee and as a board member of Medina County Right to Life. In 2019, the Culture of Life Committee began "Walking with Moms in Need," a year of service that looked at resources available to mothers both experiencing an unplanned pregnancy and supporting them after birth. Afterwards, we determined we wanted to assist mothers facing an unplanned pregnancy through the Gabriel Project. The Gabriel Project does not replace pregnancy centers but accompanies women throughout their pregnancy to find the resources that may be helpful. Examples

Notes from the Director

As many of you know, Cleveland was without its own Catholic radio station from 1997 (when WMIH went off the air), until 2015, when a group of committed lay people did the heavy lifting to bring EWTN radio to the Cleveland airwaves as AM 1260 The Rock, the very same frequency used by WMIH. How God works!

This would not have been possible without Mother Angelica's offer to provide free radio programming to anyone who would start and operate a Catholic radio station. We literally could not do this without her. May she continue to intercede for us.

As an EWTN affiliate, we are pleased to present faithful Catholic programming produced primarily by EWTN, as well as our three-locally-produced programs: *Table Talk*, *Where We Worship*, and *God Calling*.

In addition to all the regular programming which our listeners have come to appreciate, it is our ability to connect with our listeners, to adapt and react to opportunities as they appear, and to be pertinent to our listeners at a local level that sets The Rock apart.

Case in point: several weeks ago, I received a text from Christopher Check, President of Catholic Answers. His brother, Fr. Paul Check, Executive Director of the National Shrine of Our Lady of Guadalupe in LaCrosse, WI, was in Cleveland and would we want to connect with him? Within a matter of several texts, we were able to welcome Fr. Check to the Rock studios and record an interview with him that is now available on our podcast, *Wisdom From the Rock*.

This November, Ohio will face a crucial decision about legalizing abortion up to birth, with a host of other ramifications. Recently, AM 1260 The Rock's Dick Russ sat down with Kate Makra, Executive Director of Cleveland Right to Life, to discuss the proposed amendment on the November ballot. This interview is also on our podcast.

Our website and social media posts continue to be updated with timely content. Need some opportunities for growth in your faith? Visit our community event calendar to find retreats, educational opportunities, and events at parishes, shrines and other Catholic apostolates.

Know that we pray for you and your intentions daily. Please continue to pray for us, that we preach the Gospel message of love and mercy in charity and clarity, and respond to the promptings of the Holy Spirit as we guide this apostolate for the glory of God and salvation of souls.

In Christ,

Bernadette Boguski

Summer Splash 2022 Update

We are so very grateful for your gifts last year to our one-day Summer Splash! We raised a little over \$26,000 that day for capital projects.

The roof on our transmitter building was completed in the fall of last year, keeping the new transmitter we purchased in 2020, as well as our other broadcast equipment, dry and protected from the elements.

Significant engineering work was conducted over a series of months by our consulting firm. This included sound measurements from different points and over different periods to assess our signal strength and where there are deficiencies. This field work had to be done in preparation for copper ground wire projects

that we expect to get underway in the coming months.

We are also evaluating and preparing for the replacement/upgrade of our studio computers which manage everything that you hear and when it plays. This is no small task and takes a lot of coordination to make sure we get it right.

No doubt, other projects will surface. But one thing is certain, and that is your steadfast support in keeping Catholic radio strong and vibrant for Northeast Ohio. Now more than ever, we need the presence of 'rock solid truth' that Catholic radio brings. THANK YOU for what you continue to make possible.

Things every Cleveland-area Catholic Should Do This Summer

- 1.** Visit a Eucharistic Adoration Chapel that you have never been to before and spend some time in prayer before Our Lord present in the Blessed Sacrament. I recommend at least three that are relatively close – St. Albert the Great (North Royalton); Queen of Heaven (Green); and St. Basil the Great (Brecksville).
- 2.** We are blessed in Cleveland to have TWO communities of Poor Clare nuns who spend their days and nights praying for us and our city. You can find the Poor Clare Colettine Nuns at 3501 Rocky River Drive in Cleveland. Their chapel is absolutely beautiful and is open during the day. The Poor Clares of Perpetual Adoration are located at Saint Paul's Shrine at 4108 Euclid Avenue in Cleveland. The church is open daily from 9:30 am to 2 pm and they have a nice Gift Shop there.
- 3.** If you are in the mood for shopping, I recommend that you patronize stores that are authentically Catholic* like Tilma, Our Lady's Store at 146 Front Street in Berea. Call first to check the hours and do not be surprised if when you visit you are asked to pray the Holy Rosary or Divine Mercy Chaplet.
- 4.** Have a "Technology Fast." Unplug all electronic devices and enjoy hearing the sounds of nature as well as finding yourself more attentive to all that is going on around you! When you untether yourself from your cell phone, you will find greater freedom in your daily activities!
- 5.** There are several shrines near Cleveland which are beautiful and peaceful. I have often talked about how the National Shrine of Our Lady of Lourdes helped to get me through my seminary studies and I am grateful for the intercessory help I received from Our Lady. The National Shrine of Our Lady of Lourdes is located at 21281 Chardon Road in Euclid, Ohio. They have an outdoor Mass every Sunday at 9:30 am and an outstanding gift shop.
- 6.** Read a spiritual book. At the top of my recommendation list is *He Leadeth Me* by Father Walter Ciszek. I also highly recommend *The Dolorous Passion of Our Lord Jesus Christ: From the Visions of Anne Catherine Emmerich* as it will change your observance of Lent forever. I also consider *The Imitation of Christ* to be powerful and life changing.
- 7.** How about a Mother Angelica road trip to Canton? You can visit the Rhoda Wise house, where Mother Angelica received divine intercession; the Sancta Clara

Monastery, where Mother Angelica served; and the Mother Angelica Museum. Top it off with an Italian meal in honor of Rita Rizzo, who would change the world as Mother Angelica. Please ensure that you call in advance for hours and availability.

- 8.** Spend some time outside listening to AM 1260 The Rock, Cleveland's Catholic Radio. You can listen to engaging call-in shows or pray along with various devotions. I like the idea of listening to AM radio on a warm summer evening.
- 9.** Take a Holy Rosary walk with family and friends. As part of our Holy Rosary Confraternity, we make a Holy Rosary Procession once a month, but you can make one at any time. Walk through your neighborhood or a nearby park while praying the Holy Rosary. Your public witness of faith will not go unnoticed.
- 10.** Watch a great Catholic movie. In offering Catholic Movie Night every month here, I have gotten to see a lot of great Catholic movies. Try *Going My Way* or *A Man for All Seasons*. Pop some popcorn and enjoy great representations of our Catholic faith.

Yours in Christ,
Father Doug Brown
Chaplain

Fr. Doug Brown, chaplain of AM 1260 The Rock, is pastor of Mary Queen of Peace Parish in Cleveland and chaplain to the Cleveland Police and Fire Departments

**Editor's note—Northeast Ohio is blessed to have many Catholic book and gift stores including AM 1260 The Rock business members Tilma and Covenant Books and Gifts in North Royalton.*

AM 1260 The Rock Online Presence

by Jack Bednarz

Jack Bednarz

Sometimes, we need an encouraging word to get through a tough day, a friendly invitation to let us know we're a welcome part of a community, a fiery quote from a great saint to reinforce our faith in an increasingly secular world, or news of a friendly gesture to remind us that it's possible to imitate Christ in our lives. When we craft posts for our social media accounts, or news posts for our website, we work hard to strengthen the local body of Christ through uplifting and faithful messages.

You may have noticed a recent trend on Fridays with quotes from Venerable Archbishop Fulton J. Sheen. Archbishop Sheen is a favorite around the AM 1260 offices and I can tell he is a favorite among our social media followers too. Even though I know what's in them already, whenever I see one of the posts of his quotes I'm

fired up by it. In addition to those, we look for wisdom from the saints and prominent Catholic thinkers to post during the week, especially if we have one that pertains to current events or a nearby feast day.

We also post about what goes on in the local Catholic community to social media and the event calendar on our website. Our listeners submit their local parish's events to the station and many of them make it on to our website's event calendar, get shared on social media, and some even make it into our on-air news segments!

Finally, the "On Demand" section of our website is not to be missed. You can find the fingerprints of the whole AM 1260 staff there. The locally-produced programs are cut and edited so you can listen whenever you like, and special interviews and daily reflections are uploaded regularly to the "Wisdom From The Rock" podcast. Make sure you keep an eye on that part of our site and look for new uploads of our local shows on Tuesday afternoons.

In all this, the content and reach of our digital presence heavily relies on our listeners. It's you who submit the events that we promote.

When it comes to spreading the word, your shares, likes, and retweets let others know that these posts are worth reading. It also lets the social media giants, with their inscrutable algorithms, know that the posts are worth showing to people that aren't yet following us. With any luck, they make it in front of the right person just when needed. I want to thank all of you that already do so much to build up our digital presence and share it with others and ask everyone else to consider doing the same.

Jack Bednarz is AM 1260 The Rock's website/social media coordinator.

One Hundred Parishes in under One Hundred Months! *Continued from page 1*

hear about how Catholic radio has become an integral part of their faith journey. They tell us about how they listen in the car, on their lunch break during third shift, or about staying in the car to hear the end of "Kresta in the Afternoon" as they pull in their driveway.

We also hear about the impact this station has made on their faith journey. Visit our website under 'about us/testimonials' to hear from people of all ages for whom this station was integral in their becoming Catholic or becoming more engaged in their faith.

We have only 85 parishes to go—can you help us? If we have not visited your parish (yet), please consider asking your pastor to invite us to share the 'Good News' with you and your fellow parishioners. Studies have shown that people who listen to Catholic radio are more engaged in their parish in every way. Questions? Call us at 216-227-1260—we have weekends available through the Fall and into 2024.

Attention Donors

AM 1260 The Rock values your generous support of our local Catholic radio station. We want to share with you these important updates:

- Mail fraud is on the rise! If you mail a check, please make sure there is a return address on the upper left corner and that the check is properly signed and dated.
- We strongly encourage you to consider using our Donate page on our website to make a secure online gift, or you may call us M-F between 9 AM and 4 PM and we can take your credit card information by phone.
- If you are a monthly donor, you should be getting a confirmation of your gift each time your card is charged. This is now a requirement of MasterCard, and most likely will be required by the other card companies. This ensures that you are aware of your giving and allows us to thank you each time you make a gift.
- You may see some changes to our online giving page in the coming months as we work with our software company. Please do not hesitate to contact us with questions. We are so grateful for your online gifts at whatever level you are able.

If you have any questions about the above, or other questions concerning your giving to The Rock, please do not hesitate to call us at 216-227-1260 during normal business hours.

Please support/patronize our Advertisers and Business Members and let them know you are grateful for their presence on AM 1260The Rock!

Why I’m Pro Life *Continued from page 1*

of these resources include those from government/nonprofit programs, emotional and spiritual support.

We, as Catholics, are called to defend life from conception to natural death. June 24, 2022, we received news that the Roe vs. Wade decision was overturned with the Dobbs vs. Jackson Health Organization ruling. In the almost 50 years being under Roe, we have lost over 60 million lives. This is more than all US wars and more than deaths from all diseases. Since the Dobbs decision the question about abortion has gone back to each state. Many states have enacted restrictions on abortion. Ohio’s Heartbeat bill went into effect but was quickly blocked by an Ohio Supreme Court judge. Other states brought constitutional amendments to a citizen vote. These resulted in making abortion a right in the states of California, Michigan, and Vermont.

Ohio is now the next battleground for abortion to be enshrined into the constitution. In February of this year several pro-abortion groups submitted a proposed amendment to our constitution titled “The Right to Reproductive Freedom with Protections for Health and Safety.” This proposed amendment is purposely vague to allow for expansion and inclusion.

There are many resources talking in depth of the dangers of this amendment but here are a few key reasons not to support it:

1. If passed, abortion would be legal through all 9 months of pregnancy.
2. Common-sense laws like Parental Consent would be eliminated, removing any protections currently in place.
3. Would remove critical health and safety protections for Ohio women.

Although the other side will argue that “the amendment doesn’t say that!,” it is because it is vague that it can be interpreted in that way. Example: the amendment states “However, an abortion may be prohibited after fetal viability.” (22 weeks) It continues “but in no case may such an abortion be prohibited if in the professional judgement of pregnant patient’s treating physician it is necessary to protect the pregnant patient’s life or health.” This makes it seem like the amendment would limit abortion to 22 weeks; however, the interpretation of the treating physician, who may be the abortionist, could deem anxiety or depression or several other issues as reasons to make it “necessary”.

Here are some resources to help educate yourself on the amendment:

"Great way to start the day: Rock Solid TRUTH, baby!"

"It's great to be able to tune into a faith-filled program while I'm on the road."

"Keeps my faith alive and growing."

"I learn so much about my faith and can keep current with what is happening in the church. I love Catholic radio because I have learned so much about my faith from the featured programs. Catholic radio is the only radio I have been listening to the past four months and it has made a glorious impact in my life. Thank you for all you do. May God bless everyone at The Rock 1260."

"I like being formed by the truth daily!"

English prayer for **Eucharistic Revival** (to be prayed before the Blessed Sacrament)

Lord Jesus, as we gather at your altar, you give yourself to us in the Most Holy Eucharist, so that we might become what we receive.

By your holy presence we are blessed. May we be transformed forever by your love that stretches forth to us from this altar. May your sharing in our humanity humble us to share in your divinity.

Heal our brokenness with your real presence and help us to draw strength from you in the Eucharist. Unite us to you in this Sacrament that brings healing and redemption.

As we glorify you by our lives, give us grace and courage to share your love with a world sorely in need of your mercy. May your true presence bring hope to those on the peripheries, dry the tears of the poor and the wounded, and end our divisions.

May your Body, Blood, Soul and Divinity be a constant source of revival for us. Let us become one with you as we seek the peace of your kingdom where you live with the Father and the Holy Spirit, God, forever and ever. Amen.
